Brief Leader Devotional

I Wonder: At Crossroads this year, children will embark on a journey through questions that most people contemplate. We will look to scripture to find the answers to the big questions in life. Through this journey kids will get to work through questions that they might have about creation, the bible, sin, and God. Each week will be an opportunity to reveal to kids truths from God's Word so that they may know him personally.

Leader Challenge: Take some time to consider your beliefs. Maybe there have been some times that you have worked through doubts about your faith or had questions for God. These are helpful stories to share with your kids so they know it's ok to ask questions but make sure they know it's important to study the Bible for the truth.

Read 1 Peter 3:15 and spend some time in prayer in preparation for your time with the kids at club this month. Ask that the Lord would help you share the truth of God's word with kids each week.

Helpful Tips

- The memory verse will change every 3 weeks. This is to allow kids an opportunity to memorize and understand the verse. With this change we hope that kids don't just memorize more verses but they grow in their understanding of what each verse means.
- Each section of the curriculum has its own color to help leaders keep track of their place.
