Brief Leader Devotional

Moses is one of the most well-known figures in the Bible, yet he struggled with feelings of inadequacy and fear. God used Moses' obedience, not his strengths, to accomplish great things. This lesson reminds kids that God can work powerfully through anyone, no matter their weaknesses or doubts.

Leader Challenge: Reflect on moments when you've felt inadequate or unsure of your abilities. How has God worked through those moments? Is there a time in your life where you needed to trust God despite your insecurities? Think of ways you can encourage kids by showing how God uses ordinary people to do extraordinary things.

Read *2 Corinthians 12:9* and *Exodus 4:10–12*. Spend time in prayer, asking God to help you trust in his strength, not your own.

Helpful Tips

1. **Affirm Strengths and Weaknesses:** Let kids know that their strengths are gifts from God and their weaknesses are opportunities for Him to work in amazing ways.
2. **Relate to Their World:** Share examples of how God might use them now—helping a friend, standing up for someone, or sharing their faith.
3. **Encourage Questions:** Be ready to help kids process why God sometimes asks us to do hard things.

Leader Reminder

This month of lessons is a chance to help kids see that God's plans don't depend on their abilities but on his power. Pray for God to use you to show kids his strength and love.
