

Privacy Policy

Your privacy is important to our application and always has been. So, we've developed a Privacy Policy that covers how we collect, use, disclose, transfer, and store your information. Please take a moment to familiarize yourself with our privacy practices. We collect information from you in order to improve our service and your user experience.

Information Collection and Use

We do not store your Personal Information on our server. We may collect Non-Personal Information about users whenever they interact with our application. Non-Personal Information is in a form that does not, on its own, permit direct association with any specific individual, which may include the information about your devices, including the list of installed apps on your devices, the versions of phone model and other similar information. We may collect and store details of how you use our services, which may be used to improve the relevancy of results provided by our services.

We collect your data on our server for below apps, but we do not share that data with any third party.

CSL Daily Affirmation App

EU USER CONSENT POLICY

We include certain disclosures to users in the European Economic Area (EEA) & obtain their consent to use cookies or other local storage, where legally required, and to use personal data (such as AdID) to serve ads. This policy reflects the requirements of the EU ePrivacy Directive and the General Data Protection Regulation (GDPR).

We ask about permission of users which are in EEA (European Economic Area) to display ads like PERSONALIZE/NON-PERSONALIZE.

How Your Information May be Disclosed

We may use your information only for serving you better as below:

A. Personal Information. In general, we use Session and Usage Data internally to serve our Users and enable them to take maximum advantage of the Applications, the Services, and the Site. We do not store Personal Information and therefore we do not disclose your Personal Information.

B. Non-Personal Information. We may disclose Non-Personal Information to our trusted partners who shall comply with this privacy policy and the relevant privacy laws. We do not combine Non-Personal Information with Personal Information (such as combining your name with your unique User Device number).

Third-Party Sites and Services

Our application and services may contain links to third-party websites, products, and services. Our products and services may also use or offer products or services from third parties. Data collected by third party parties, which may include such things as location data or contact details, is governed by their privacy practices. We encourage you to learn about the privacy practices of those third parties. We are not responsible for, the privacy practices of websites operated by third parties, whether they are linked to or otherwise accessible from our application. The inclusion of a link or accessibility of third-party websites does not imply endorsement of such third-party website by us.

Third-Party Sites

In general, the Applications, the Services, and the Site access third party information (such as your Facebook account information) through application interfaces. We may provide links to third-party Web sites, such as Facebook, as a service to our Users. The Site may also carry advertisements from other companies. When you click on links of third parties in an Application, the Services, or the Site, you may leave the Application, the Services, or the Site. Some of these third-party sites may be co-branded with our name/logo or our affiliated entity's name/logo, even though they are not operated or maintained by us. This Policy does not address, and we are not responsible for, the privacy practices of websites operated by third parties, whether they are linked to or otherwise accessible from an Application, the Services, or the Site. The inclusion of a link or accessibility of third-party websites does not imply endorsement of such third-party website by us

The data that you transfer and share through application may be intercepted, collected, used, and disclosed by third parties. We are not responsible for any interception, collection, use and disclosure of your information by any third party.

Will This Privacy Policy Ever Change?

As our App evolves, we may need to update this Policy to keep pace with changes in the Service, our business, and laws applicable to us and you; we will, however, always maintain our commitment to respect your privacy. We will post any revisions to this Policy, along with their effective date, in an easy to find area of our application, so we recommend that you periodically check back here to stay informed of any changes. As long as you continue to use the Service, you are bound by the terms of the Privacy Policy. If you disagree with any changes to this Policy and do not wish your information to be subject to a revised Policy, you will need to stop using the Service and delete the application from your device.

Advertising and Promotion

What advertisements you may see as a result of playing our application or using our Services. We promote our own applications and services in a number of ways. That might include cross promoting one of our applications while you are using a different application of ours. It might also include advertising our applications within websites and other media published by others.

How Secure is My Data?

We take the security of your data very seriously. We do not collect Personal Information, and we employ administrative, physical, and electronic measures designed to protect your Non-Personal Information from unauthorized access and use. Please be aware that no security measures that we take to protect your data are absolutely guaranteed to avoid unauthorized access or use of your data.

When you use our applications or services, the data and content you share may be visible to other users and may be read, collected, or used by them. You are responsible for the information you choose to share or submit in these instances.

Deletion Information

When information is no longer needed, we shall delete it using reasonable measures to protect the information from unauthorized access or use.

Sensitive Information

We ask that you not send us, and you not to disclose, any sensitive Personal Information (e.g., information related to racial or ethnic origin, political opinions, religion or other beliefs, health, sexual orientation, criminal background, or membership in past organizations, including trade union memberships) on or through an Application, the Services, or the Site or otherwise to us.
