

Shorts & Pilot Scripts by The West Sisters

Shorts

IMMEDIATE FAMILY (Grounded Sci-fi) - When a young girl wakes in the hospital with a mysterious case of memory loss and discovers the same thing has happened to her whole family, she must outsmart the scientist who may be out to hurt them all.

2021 Austin Film Festival Second Rounder Award
Winner of VRS Media Group Short Script Competition

HERITAGE (Magical Realism) - A teenager, disinterested in her Louisiana Creole heritage, finds herself having to entertain a visitor who only speaks French.

2022 Phoenix Film Festival Short Screenplay Competition Finalist

Pilots

NORTH ANCHOR AVENUE (Drama Mystery) - Jane Austen meets Veronica Mars, with a diverse cast. When undergrad Catherine Moore discovers her estranged grandfather's recent death wasn't an accident she hunts for answers among the secretive and entitled community of Mansfield University while keeping her lineage hidden.

VIGILANT (Grounded Sci-fi) - Earth's rotation slows causing night to last for months while governments weaken and violence rises. The heir to a New Orleans political dynasty, turns to vigilantism to protect her family, but loyalties are tested as she begins uncovering her family's corrupt grip on the city.

VALOR (Afro-Futuristic) - When a dutiful daughter training to join an elite civil force learns she was stolen as a baby she risks everything to dive into the secrets held by her high-ranking family and a government she now questions.
