

Louisiana-Based Scripts by the West Sisters

Feature

PERIL IN THE HEIRLOOMS (All-Quadrant, Fantasy Adventure) - A splintering family inherits a seemingly normal artifact but in giving it away they awaken a strange magic and a host of dangers - including a man trapped in the artifact for decades. They must race to collect three keys scattered among their distant kin to stop the chaos.

2020 ScreenCraft Action & Adventure Screenplay Competition Semi-Finalist

Short

HERITAGE (Magical Realism) - A teenager, disinterested in her Louisiana Creole heritage, finds herself having to entertain a visitor who only speaks French.

2022 Phoenix Film Festival Short Screenplay Competition Finalist

Musical

SWELL (Comedy Musical) - An ambitious but overlooked young woman hopes to protect her slowly-flooding coast town. She gets more than she bargains for when she invites a company to "improve the community" without knowing they have plans of their own.
