

## **Feature & Musical Scripts by the West Sisters**

### **Features**

**PERIL IN THE HEIRLOOMS (All-Quadrant, Fantasy Adventure)** - A splintering family inherits a seemingly normal artifact but in giving it away they awaken a strange magic and a host of dangers - including a man trapped in the artifact for decades. They must race to collect three keys scattered among their distant kin to stop the chaos.

2020 ScreenCraft Action & Adventure Screenplay Competition Semi-Finalist

**THE ARTSMEN (Action/Mystery)** - A reckless private investigator joins a ragtag group of art recovery experts to hunt down the international art thief who stole her father's famous artworks and traumatized her family years ago.

2019 New Orleans Film Festival, Louisiana Screenplay Top 5 Finalist

### **Musicals**

#### **SWELL (Comedy Musical)**

An ambitious but overlooked young woman hopes to protect her slowly-flooding coast town. She gets more than she bargains for when she invites a company to "improve the community" without knowing they have plans of their own.
