<https://katewarner3d.squarespace.com/>

## EXPERIENCE

### Mindshow, Remote - CG Layout Artist

February - July 2024

- ~Responsible for camera and mocap clean-up.
- ~Responsible for complicated camera animations
- ~On-going contract work

### Rooster Teeth Productions, Remote — CG Layout and Final Camera Department Supervisor

September 2020 - July 2023

- ~**Scheduled and managed** CG Layout Artists and Layout/Final Camera processes to deliver tasks **on time and within budget**.
- ~Worked with the Director to **define staging, pacing, layout and camera action**.
- ~Reviewed, critiqued, adjusted and approved work created in advance of Director review.
- ~Worked with the Director, Producer and Editorial department to review and adjust layout schedules as needed.
- ~**Proven efficient workflows** to reduce crunch by identifying and addressing problem areas in the pipeline proactively.
- ~Worked with the Tech team to transition to a fully remote studio within 3 days seamlessly and **without missing any deadlines**.
- ~Scouted, interviewed, hired and mentored an amazing team of artists, both in-studio and remotely.
- ~Responsible for file and asset management within the departments.
- ~Managed department Confluence page and delegated SOP creation.
- ~Left position due to lack of projects - not performance related.

### Rooster Teeth Productions, Austin TX — Director

June 2017 - September 2017

- ~Directed 4 episodes of RWBY:Chibi working closely with all departments to stay on brand and schedule.

### Rooster Teeth Productions, Austin TX — Lead Layout and Final Camera Artist

March 2015 - March 2021

- ~Delivered complicated layout and final camera tasks on schedule.
- ~Responsible for mocap processing and mocap data organization.
- ~Onboard and mentor new hires.
- ~Responsible for the implementation of secondary tasks such as Set Scouting and Templates, in a successful effort to reduce crunch throughout the pipeline.
- ~Managed department Confluence page and created SOPs.
- ~Provided voice-over work when needed.
