

My Love My Desire (1of 4 from the "Infinite Love Series"

As I devour the nectar that lies

Deep between your thighs

I look into your eyes

Seeing the blazing fire

Hearing the pleasure of your

cries

The cries of a woman finding

freedom

Ended by a sigh, a sigh

of ecstasy

echoing relief

The pressure relieved

Of your womanly desires

Our ONENESS unlocked the

seals of love and fire

Satisfied by the entry of my

seed

Swimming into your garden

Bringing life to the fruit,

The fruit of your womb

Igniting a new life that will

soon come

To accompany us as we dance

through life together in unison

fulfilling the purpose

we were given....
