My love energy embraces you. We touch each other in the mystical realm..

Each morning you awake knowing you have been in Loveland...

Breezing through each day of hectic work and movement knowing when the night falls it will bring joy and ecstasy as our love unites in spiritual oneness exploding together into our own sacred realm. ...

I travel inside you at all times. You are mine and I am yours..

We have loved each other from the beginning of time to the reset of infinity. Our love is eternally wrapped into oneness. ☺☐
