

" Your Thoughts"

by Ron Hardy | Oct 30, 2021 | Uncategorized

Where do your thoughts live? Who is the author of your thoughts? Was it your thoughts that manifested your desires into reality?

Are your thoughts alive and do they represent who you are?

Do your thoughts control your actions or do your actions control your thoughts?

Unseen but heard in your head are your thoughts alive?

Who controls your thoughts? Do your thoughts continue to live when you die? Will your thoughts be here waiting for you to return?

Are your thoughts governed by what you see or by what you heard ? Or could it be that your thoughts are governed by both what you see and what you hear? Who is accountable for the actions of your thoughts ?

Are you your thoughts or are your thoughts you?

When sleeping and dreaming are your thoughts awake?

Who is the Captain of your thoughts and who is the master your actions? Is your mind a slave to your thoughts? Or are your thoughts enslaved by your mind? Where did your thoughts come from???
