

The
STORM
A ZINE BY KIRK!

Around 1:30 AM
on Friday, we lost
power during a
huge storm

Friends and Family
said they'd never
seen anything
like it. 100 mph
winds tore through
the city & brilliant
lightning constantly
flashed in the sky.

The winds were so strong that massive trees have been uprooted & snapped in two across the city.

And somehow, I
slept through the
whole thing.
