So why would
writing be any
different?

I've never really ^{espo}

So why ~~in~~

Still not right.

I used to think I needed to write one perfect sentence after another, but after years went by with nothing but blank pages...

Is there anything I can do to make this stink less?

I realized you can't
get better without
a lot of failure.

Huh. It's still bad,
but at least it's bad
in an interesting way?
