Artist Statement

As an artist, I thrive to explore the complex interaction between identity, emotion, and expression. My music is inspired through personal experiences and my surroundings, with the aim to connect to my audience on a deeper, artistic level. Through vibrant colors, emotional connection and melodic ballads, I strive to evoke feelings of elation, nostalgia, and introspection, while providing a safe space of relation. I believe art has the power to make bold statements to exceed artistic boundaries and build understanding in such a unique way. My goal is to inspire others to embrace their own stories through my art while committing to creating pieces that invite a welcoming and reflective environment.

You hard 🍷📄

... collaborated with many talented artists, but I can confidently say that one of my favorites to work with is Shaniah. We've built a bond that goes beyond music, and she's become a true friend someone I can call anytime, knowing she's always got my back. Thank you for everything you do. I love you always, my homie for life. "That's Fact's" ❤️

THIS RIGHT HERE IS 12 MINUTES OF STRAIGHT EUPHORIA. FOR THEIR FIRST EP "MIXED EMOTIONS", NIAH & LON ABSOLUTELY KILLED IT! THEIR VOICES COMPLIMENT EACH OTHER SO WELL. THE PROJECT RADIATES A WIDE ARRAY OF EMOTIONS FROM LOVE TO ANGER, REGRET, GROWTH, AND HOPE JUST TO NAME A FEW. AN R&B RECORD WITH EXTREMELY POWERFUL LYRICS AND EVEN STRONGER VOCALS. THE CRAZY MELODIES AND MINIMALISTIC PRODUCTION MAKES IT IMPOSSIBLE TO IGNORE THE RAW TALENT THESE TWO HAVE.

IT SEEMS WITH THIS EP WE GET A SNEAK PEAK AT HOW LIMITLESS THEIR MUSIC CAPABILITIES ARE. FOR EXAMPLE, "CLUELESS PRAYER" IS A GORGEOUS TEARJERKING BALLAD ABOUT FAITH AND PERSEVERANCE THAT YOU'LL NEED A BOX OF KLEENEX FOR WHILE "DIFFERENT GIRL" HAD A WHOLE CROWD TURNT AT A SHOW IN EARLY JANUARY. A FULL PACKAGE DEAL AND IT DEFINITELY ISN'T GOING UNNOTICED. ALL MY R&B LOVERS OUT THERE, ADD THIS ONE TO YA MIXES!

FAV TRACKS: ALL OF EM 😊
