

WHERE DO I HIDE MY SON

Who has the face of Treveon
judged because he is black born
so what if his pants hang below his waist
And a hoodie cover his face
that don't mean a grave should be his resting place.
How can i sleep when my son is not safe

Trapped inside a profile
because of his color and style
a book judged by its cover
if they look underneath they would discover
a president, a doctor , a lawyer, teacher, a singer, a rapper, preacher and
so much more he could be
if the world took the time to look and see.

WHERE DO I HIDE MY SON

who is on the run
from justice
who pretend to be his friend
saying knock jokes about his life
only to stab in the back with a knife.
telling him he can have some
but when he try and get it he gets none

WHERE DO I HIDE MY SON

I think i will hide him in prayer
and tell God keep him safe there
BECAUSE GOD'S JUSTICE ALWAYS PREVAIL
WHERE MAN'S FAIL.
