NOTE: Many students work part-time during the school year and earn "experience hours" towards their overall Architectural Experience Program (AXP) requirement.

Strategies as to the best sequence to take the various divisions of the ARE vary widely. Students are encouraged to participate in the USC NotLY program for additional information.

| YEAR 1 | 480 hours | FRESHMAN ORIENTATION  
Presentation and discussion of Licensure Path (support, guidelines, strategies and recommendations), attendance required by all freshmen  
FIRST YEAR, BEGINNING OF SECOND SEMESTER  
Licensure Path presentation and discussion, held early in semester  
Recommend interested students begin AXP the summer after first year  
FIRST YEAR, MID-SECOND SEMESTER  
USC School of Architecture job fair; group advising session  
prepares students for internship application process with resume and portfolio workshops  
FIRST YEAR, SUMMER  
Students seek AXP experience on their own | FALL
