

New DDW Exhibitors: Save Yourself Time and Money

To cater to our new exhibitors, DDW has implemented a New Exhibitor Pavilion (NEP) designed to help promote their presence and drive traffic to their booth.

Who Qualifies?

Any company who has never exhibited at DDW or has not exhibited in the last three years. Booth sizes are limited to 10'x10' and 10'x20' sizes. Due to our space limitations, this offer is not valid for booth spaces larger than 10'x20'.

If this is your company, look no further! Dedicated NEP packages include all of the necessary booth essentials, and you will have dedicated staff helping you throughout the entire process.

But don't wait too long —
DDW's exhibit floor is already over 70 percent sold out.

Are You Ready to get your GI sales moving?
