

ABOUT DIFF

Dili International Film Festival (DIFF), is an annual event, with film screenings, workshops and (networking) events. Films of all genres participate in an international competition and additional content is curated by the organisers. Local filmmakers participate in the DIFF National Short Film Competition. DIFF is a celebration of creativity and different cultures coming together to be inspired, offering a window to the world for the audience and a way to improve techniques telling the stories of Timor-Leste through the eyes of young filmmakers.

ABOUT THE DIFF APP:

The DIFF App is a free/ non-monetary platform for users to to personalise their DIFF experience. It contains information on films (and links to trailers), events and workshops. Users can like films, create their own DIFF schedule and link it directly to their calendar! A log-in section allows registered users to receive information on invite-only and workshop events.

DATA COLLECTION

The DIFF App does not collect any data from the user. Only during the creation of an account to access as registered user, the email and a password will be stored - for non-profit reasons. This information will not be shared with Third Parties.
