

Dear Parent/Guardian:

We provide nutritious meals every day to the children at our center.

The Child and Adult Care Food Program (CACFP) helps our center to pay for meals. The amount of help we get depends on the incomes of households with children in care. **Please complete the enclosed CACFP Household Income Statement form** following the instructions. If your household income is higher than the guidelines shown on the instructions page, please write “over income” on the Household Income Statement, include your children’s names, and return the form.

Return your completed Household Income Statement form to:

**Commonly Asked Questions:**

**I already get MFIP or SNAP benefits. Do I meet CACFP income guidelines?** Yes. You should provide your case number on the form instead of income information if anyone in your household is approved for one of these programs: Minnesota Family Investment Program (MFIP), Supplemental Nutrition Assistance Program (SNAP) or Food Distribution Program on Indian Reservations (FDPIR).

In addition, foster children meet CACFP guidelines without providing income information.

Your household may meet CACFP income guidelines if you are approved for the *Women, Infants, and Children* program (WIC) or *Medical Assistance* program (MA). Please fill out a Household Income Statement form.

**Who should I include as members of my household?** Include yourself and all other people living in your household, related or not (such as grandparents, other relatives or friends). Include anyone who is temporarily away, for example a college student.

**What if my income is not always the same?** List the amount that you normally get. Include overtime pay if you regularly work overtime. For fluctuating income like seasonal work, list the average monthly income.

**Do I need to provide my Social Security number?** If household incomes are reported on the form, the person signing the form must write in just the last four digits of their Social Security number. If you don’t have a Social Security number, indicate that on the form.

**May I fill out a Household Income Statement if someone in my household is not a U.S. citizen?** Yes. You or your children or other household members do not have to be U.S. citizens for you to fill out a CACFP Household Income Statement.

**How will my information be kept?** We will keep your information on file as private data. The back page of the form has more information about data privacy.

**If I don’t qualify now, may I apply later?** Yes. Please complete a Household Income Statement form at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPIR benefits.

If you have other questions or need help, please call (763) 432-7866

Sincerely, Dreamers Child Care Administration

## How to Complete the Household Income Statement Form

Fill out a Child and Adult Care Food Program—Household Income Statement if any of the following apply:

- You have one or more foster children in the household (a welfare agency or court has legal responsibility for the child), or
- Your total household income (gross earnings before deductions, not take-home pay) is less than or equal to the income shown below for your household size. Include any foster children as members of the household. Do not include as income: foster care payments, federal education benefits, MFIP payments, or value of assistance received from SNAP, WIC, or FDPIR. Military: Do not include combat pay or assistance from the Military Privatized Housing Initiative. The income guidelines are effective from July 1, 2018 through June 30, 2019.

## Step 1 - Children to List

List all infants and children in the household, even if they are not related. Attach another page if needed to list all children. Fill in the circle if a child is in foster care. Providing ethnic and racial information for each child is optional and does not affect approval for CACFP benefits. This information helps to make sure we are fully serving our community.

## Step 2 - Case Number

If any household member currently participates in SNAP, MFIP or FDPIR assistance programs, write in your case number, check which program you participate in, and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3. Medical Assistance (MA) and Women, Infants, and Children (WIC) do *not* qualify for this purpose.

## Step 3 - Adults / Incomes / Last Four Digits of Social Security Number

- If there is any regular income to children like wages, write in the total regular income for all children. Do not include occasional earnings of children like babysitting or lawn mowing.
- List all adults living in the household (everyone not listed in Step 1) whether related or not, such as grandparents, other relatives, or friends. Include any adult who is temporarily away from home, like a student away at college. Attach another page if necessary.
- List gross incomes before deductions, not take-home pay. **Do not list an hourly wage rate.** For adults with no income to report, enter a '0' or leave the section blank. This is your certification (promise) that there is no income to report for these adults.
- For each income, fill in a circle to show how often the income is received: weekly, every other week, twice per month, or monthly. For fluctuating income like seasonal work, list average monthly income.
- For farm or self-employment income **only**, list the net income per year or month after business expenses. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
- The adult household member signing the form must provide the last four digits of their Social Security number or check the box if they do not have a Social Security Number.

## Step 4 - Signature and Contact Information

An adult household member must sign and date the form.

**Step 1** List all infants, children and students through grade 12 in the household, even if they are not related. If more space is needed, attach another sheet.

## Seasonal Worker

Income is your expected *average gross income* before deductions (*not* take-home pay) from seasonal work during the year. List your *average gross income* from seasonal work per month or other frequency.
