# ABOUT ETS

- Experts Translation Services (ETS) is a Dubai based agency and utilizes its more than 15 years of experience combined with the industry's latest technology in order to make sure that every single project meets our clients quality expectations

Additionally, our highly-qualified team of project managers- translatorsinterpreters-proofreaders-content-writers- designers provide on-time efficient and cost-effective solutions in more than 20 pairs of languages

ETS's vision is to provide high-quality translation that meets our clients' expectations on a timely manner. ETS team's major objective is to win clients' satisfaction and loyalty based on the quality translation we deliver.

# WHY ETS ?

At **EXPERTS TRANSLATION SERVICES**, high quality service is central to everything that we do. Our clients expect and demand high quality professional translation. They need us to understand their work and to adhere to the agreed-upon deadlines. We have always worked with the following golden rules:

- All translators are fully qualified and experienced professional linguists and are hand-picked for their knowledge and understanding of chosen industry
- **Translation services at a great price, with standard prices for translation including proofreading by a second native speaker. This is essential if the document is for public consumption and not just for internal use.**
- The latest translation memory and other technologies are used to provide the best quality translations to our clients.
- **Project Managers manage your translation project for you, from start to finish. Projects are delivered on time and within budget.**
- Files are subject to thorough three levels of editing, proofreading and quality control. Sometimes we need a fourth level done by a subject-matter expert.
- **All employees treat client data as strictly confidential.**
