PREMIER

Dear Friends,

I am thrilled to have you join us for another year of the Split Rock Jumping Tour.

The sport of show jumping has been rapidly evolving over the past several years and our mission is to change the way competitors, sponsors, and spectators experience a horse show in the United States. Looking back through our first six years, we have seen some of the world's top riders support our innovative concept by returning show after show.

We are continuously striving to find new ways to make the entire show experience the absolute best it can be. I personally promise that I will continue to learn from not only the continual evolution of our sport but from your much needed feedback as we establish SRJT as one of the premier horse show management teams in America.

I want to personally thank you for being a part of this new show jumping movement and I look forward to seeing you at the 2021 Split Rock Jumping Tour!

Sincerely,

A handwritten signature in black ink, appearing to read "Derek Braun".

Split Rock Show Office
Kentucky Horse Park

COMPETITOR DETAILS & REQUIREMENTS

Each competition must be conducted in accordance with the FEI rules and applicable USEF rules. Entry into the competition represents acknowledgement and acceptance, with no appeal, to these competition rules for all classes.

ENTRIES

A separate entry form (online, print, email) must be filled out for each horse. Each entry must be signed by the owner, rider, trainer, and coach (if applicable) and said signature shall constitute verification that the information contained thereon is accurate to the best of the signer's knowledge and belief.

Deposit must be paid with each entry, and an open check or credit card must be on file in the show office before back numbers are issued.

The same back number will be used for both weeks.

Entries and Stalls will be limited. Competitors are encouraged to get their entries in early. Entries received after the show is sold out of stalls will be placed on a waitlist in order of received entries. Late entries (received after the closing date) will be charged a \$50 late entry fee. Under extreme circumstances, management reserves the right to accept or deny any entry.

Any entry scratched after the closing date is responsible for stabling and office fees. Deposits will not be refunded. Under certain circumstances and/or veterinary verification letter, SRJT Management reserves the right to enforce or waive fees.

All horses must pay an office fee of \$75. This office fee also permits each horse to properly add/scratch regular classes. There are no same day adds, but classes may be scratched in the office prior to the start of the class. Scratching at the in-gate does not scratch the class and the class fee will still be charged. If a horse is shown in a class it was not properly entered in, it will be charged a \$25 Ride Did Not Enter (RDNE) fee in addition to the class fee. Entries can be done by 3pm through the app or in the office until 4pm.

NIGHTWATCH

All horses occupying a stall will be required to pay a flat night watch fee of \$15. No exceptions. Please provide contact name and cell phone number on the stall.

All horses are required to pay a Paramedic Fee of \$20 and a Horse Ambulance fee of \$15. No exceptions.

NON-SHOWING

All horses on the grounds must have a completed entry in the office, complete with signatures. Non-show horses must pay for the office, nightwatch, paramedic, and horse ambulance fees as their non-showing fee. Scratched horses present on the grounds are considered non-showing.

MOVE IN/OUT

Move In for the Hunter Jumper Classic I will be Monday, June 7th at 2pm. Anyone not staying for the Hunter Jumper Classic II must be completely moved out by Monday 8am, or will receive a \$50 per stall late departure fee. Anyone arriving for the Hunter Jumper Classic II that did not

show in the Hunter Jumper Classic I may arrive on June 14th starting at noon. All horses and equipment must be out of the stalls by Monday the 21st at 8am. Anyone arriving early or departing late will receive a \$50 per stall fee from the Kentucky Horse Park. For early arrival/late departure requests, contact Kaitlin at kaitlin@splitrockjumpingtour.com to see if you can be accommodated.

CHECKOUT

Each show is separate and you must close out your account no later than Sunday each week. If you wish for the office to fill in your check, we will be happy to. Please leave clear instructions as to whose check (or credit card) to use for each horse. Starting Sunday morning, checking out through the app will be available. Please look over your statement and report any errors to a secretary immediately as to horse's name, riders, owners, addresses, association numbers, etc. Please double check that the Payee for prize money is correct with the correct address.

PRIZE MONEY

Prize money is NOT applied to the invoice at the show. All prize money is mailed within thirty (30) days of the conclusion of the show to the owner listed on the entry form, or the Payee if given. Prize money will only be mailed if the owner's or payee's W-9 Form is on file with the show office, and all balances are paid. Foreign competitors must include a U.S. Tax ID Number on their entry form or will be asked to complete a W-8BEN or W-8 Certificate of Foreign Status Form.

ORDER OF GO

All classes in the Claiborne Ring will have set orders of go. Unless specified, classes in all other rings will be done by check in at the in-gate or on the app. Orders of Go are produced in accordance with JP 112. Orders of Go are available at the Show Office, at the ring, and on the App. Orders for certain classes may be available at the entrance to the Hospitality Tent.

SALUTE

Upon entrance into the arena for each class, all riders must salute the Class Sponsor (if applicable).

PRIZE CEREMONY

All riders and horses in the Claiborne Ring receiving ribbons 1st-8th place are Required to be present and participate in all prize ceremonies. This applies to National and FEI classes. Grooms for the top three(3) placing horses of each class will accompany the competitor/horse onto the field to be present to hold the horse during the rider podium portion of the ceremony. Please note: for the safety of

all horses, competitors, and spectators, plan for an alternate mount if your placing horse is unsuitable to participate in ceremonies and victory gallops. Top 3 placing Hunter horses and riders must be available for award ceremonies. See specs for special Hunter classes regarding riding for ribbons.

LEASH LAW

Dogs must be on a leash and under control at all times. Dog owners who fail to comply with the USEF rules regarding dogs may be subject to penalty, including \$100 fine per incident, and/or warning cards issued. Dog owners are solely responsible for any damages, claims, losses, or actions resulting from their dog's behavior.

MOTORIZED VEHICLES

Golf carts must stay off horse path. Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation.

Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

LIABILITY

Under Kentucky Law, a farm animal activity sponsor, farm animal professional, or other person does not have the duty to eliminate all risks of injury of participation in farm animal activities. Split Rock Jumping Tour, its owner, employees, agents and sponsors shall not be liable or responsible for loss or damage to any animal, person, or property which occurs for any reason during the show. Each exhibitor holds the SRJT Show Management, its owners, agents, employees, as well as the USEF blameless for any accident or loss which may occur.

VETERINARY & HEALTH REQUIREMENTS

A negative Coggins test is required for every horse entering the Kentucky Horse Park property. A Health Certificate within 30 days is required for all horses, with a statement by the vet saying the horse has not shown any symptoms of EHV or come in contact with any horses displaying EHV symptoms. FEI horses must abide by FEI requirements.

PARKING

Passes must be obtained from the Parking Booth or Visitor Information Center upon entry for a fee of \$5.00 per day or \$15.00 per show.

STABLING

There are three methods to reserve stalls.

Fill out the horse entry blanks, and create an "entry" for a barn account. These can be mailed or emailed in to Kaitlin. Entries will only be accepted if accompanied by checks or credit cards for entry deposits, and an open check or card for the trainer account.

Online at entries.equestrian.digital - Once you are logged in, there are two options. You can create a trainer account here and reserve tack stalls, as well as enter horses. The online system will automatically run all horse deposits on the credit card(s) entered. A credit card is required for trainer account reservations, but it will not be run.

In order to reserve a block of stalls, fill out the Stable Request Form and mail or email it to Kaitlin. An open check or card must accompany the form. You must still send in horse entry blanks separately, before the close of entries, but can be at a later date than the Request Form. If you do not yet know which horse will be coming, filling in slots named "Horse One", "Slot 2", etc. is acceptable. This form is binding after the closing date of entries, and you will be charged accordingly unless adjustments are made before May 14, 2021.

Stalls are non-refundable after the closing date of entries (May 14, 2021). Horses may be substituted until the Monday of the show at no additional charge. Stalls are expected to sell out, so please reserve early.

Hunter Rings are now the Stadium, Walnut, Annex, and Covered Rings. The Jumpers will primarily be in the Claiborne and Stonelea rings. We may request which rings you would like to be closer to and we will try to accommodate to the best of our ability.

CREDIT CARD FORM

CREDIT CARD TRANSACTIONS WILL BE PROCESSED AT RETAIL PRICES, WHICH ARE 3% HIGHER THAN THE PRICES IN THIS PRIZE LIST. FOR A RETAIL PRICE PRIZE LIST CONTACT SRJT.

3. The minimum booster frequency is every 12 months. However, for horses competing, the last booster must have been given within 6 months plus 21 days (and not within 7 days) before the arrival at the Event.
4. The horse must have received at least the primary course of vaccinations against Equine Influenza.
5. No vaccination shall be given within 7 days of the horse's arrival at the Event.

THE FEI CODE OF CONDUCT

The FEI requires all those involved in international equestrian sport to adhere to the FEI Code of Conduct and to acknowledge and accept

that at all times the welfare of the horse must be paramount. Welfare of the horse must never be subordinated to competitive or commercial influences. A full copy of the FEI Code of Conduct can be obtained from the Federation Equestre Internationale at HM King Hussein 1 Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47

This code is available in English & French and is also available on the FEI's website at www.fei.org.

ALL SECTIONS WILL ADHERE TO FEI RULES & REGULATIONS

1. The Split Rock Hunter Jumper Classics will be conducted in accordance with: FEI Statutes (23rd Edition, effective November 7, 2013); FEI General Regulations (23rd Edition, effective January 1, 2014); FEI Veterinary Regulations (13th Edition, effective January 1, 2014); FEI Rules for Jumping Events and its Annexes (24th Edition, effective January 1, 2014); FEI Anti-Doping Rules for Human Athletes (3rd Edition, effective January 1, 2014); and all subsequent revisions to the above Rules and Regulations which will take precedence. An arbitration procedure is provided for the FEI statutes and General Regulations as referred above. In accordance with this procedure, any appeal against a decision rendered by the FEI or its official bodies must be settled exclusively by the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland.

2. Horses which lose a shoe prior to starting in the initial round of a one round competition with a jump-off will be given a later starting position. In a jump-off, a horse that loses a shoe prior to starting will be given a new starting place three positions later. If the horse in question has not had its shoe replaced by that time, the Ground Jury will decide whether, at its discretion, the horse in question should receive a later starting place or be eliminated (Article 245.5).

3. Ownership information listed in the passport (and therefore registered with the appropriate Federation) is considered correct. If there are any issues

with, or corrections to, the address/ownership shown in your horse's passport, you must bring these to the attention of the Show Secretary for a ruling by the organizing Committee by 5pm of the day prior to the start of the tournament to exempt you from Withholding Tax.

4. Competitors may carry the logo of their personal sponsor on the saddle cloth. The Chief Steward is responsible for ensuring the FEI regulations relating to Article 135 are respected by riders before entering the arena. Competitors not complying with Article 135 will not be permitted to enter the arena during competition.

5. In exceptional circumstances, together with the approval of the Chefs d'Equipe and the Ground Jury, the Organizing Committee reserves the right to modify the show schedule in order to clarify any matters or matters arising from an omission or due to unforeseen circumstances.

Any such changes must be notified to all Competitors and Officials as soon as possible and they must be reported to the Secretary General by the Foreign Judge.

6. Competitors are responsible for saluting to the Ground Jury and Sponsors upon entering the competitive ring.

FROM THE RESTYLANE FAMILY OF FILLERS
COMES OUR MOST KY SSE-ABLE PRODUCT YET

Restylane®

KYSSE™

Your Kysse, Your Story

Actual patient. Individual results may vary.

Introducing Restylane Kysse

the first hyaluronic acid (HA) lip filler with XpresHAN Technology™
for natural-looking volume and Kysse-able softness—
so you can tell your story like never before.¹⁻⁴

Restylane Kysse is for lip augmentation and correction of upper perioral
wrinkles for patients over the age of 21.

Restylane

KYSSE™

Actual patient. Individual results may vary.

Introducing our most kysse-able product yet, Restylane® Kysse—

a lip filler for natural-looking volume and kissable softness.¹

Important Safety Information

Indication: Restylane® Kysse is indicated for injection into the lips for lip augmentation and for correction of upper perioral rhytids in patients over the age of 21.

Restylane Kysse contains traces of gram-positive bacterial protein and is contraindicated for patients with allergies to such material or for patients with severe allergies that have required in-hospital treatment. Restylane Kysse should not be used by patients with bleeding disorders, with hypersensitivity to amide-type local anesthetics, such as lidocaine, or by women who are pregnant or breastfeeding.

Use of Restylane Kysse at the site of skin sores, pimples, rashes, hives, cysts, or infection should be postponed until healing is complete. The most commonly observed side effects are swelling, tenderness, bruising, pain, and redness at the injection site. These are typically mild in severity and usually resolve

within 7 days after treatment. Serious but rare side effects include delayed onset infections, recurrence of herpetic eruptions, and superficial necrosis and scarring at the injection site. Do not implant into blood vessels. Use with caution in patients recently treated with anticoagulant or platelet inhibitors to avoid bleeding and bruising.

Treatment volume should be limited to 1.5 mL per lip per treatment and 1.0 mL for upper perioral rhytid correction, as greater amounts significantly increase moderate and severe injection site reactions. The safety or effectiveness of treatment in areas other than lips and upper perioral rhytids has not been established in controlled clinical studies.

Restylane Kysse is only available through a licensed practitioner. Complete Instructions for Use are available at www.RestylaneKysse.com.

Are there any reasons why I should not use products within the Restylane[®] family? (Contraindications)

To ensure a safe procedure, your doctor will talk to you about your medical history to determine if you are an appropriate candidate for treatment. You should not use products within the *Restylane* family if:

- You have severe allergies with a history of severe reactions (anaphylaxis)
- You are allergic to lidocaine or to any of the gram-positive bacterial proteins used to make hyaluronic acid
- You are prone to bleeding or have been diagnosed with a bleeding disorder

Are there other precautions that I should discuss with my doctor?

- Tell your doctor if you are breastfeeding, pregnant, or trying to become pregnant. The safety of these products for use during pregnancy, or in women who are breastfeeding, has not been studied

- *Restylane*, *Restylane-L*, *Restylane*[®] *Lyft with Lidocaine*, *Restylane Refyne* and *Restylane Defyne* are intended to treat facial wrinkles and folds, such as nasolabial folds. *Restylane* and *Restylane-L* are also intended for lip enhancement.

Restylane[®] *Lyft with Lidocaine* is also intended for injection in the dorsal hand to correct volume loss. Treatments in other areas of the face or body have not been evaluated in clinical studies.

- The safety and effectiveness of *Restylane*[®] *Silk* for areas other than the lips and perioral area have not been evaluated in clinical studies.

- Tell your doctor if you have any history of scarring, particularly thick and stiff scars, or any pigmentation (skin color disorders). These side effects can occur with hyaluronic acid fillers in general.
- Tell your doctor if you are planning other laser treatments or a chemical peel, as there is a possible risk of inflammation at the treatment site if these procedures are performed after treatment
- Patients who experience skin injury near the site of injection with these products may be at a higher risk for side effects
- Tell your doctor if you are on any medications to decrease your body's immune response (immunosuppressive therapy). Using these medications may increase your risk of bruising or bleeding at the gel injection site.
- Tell your doctor if you are using any "blood thinners" such as aspirin, warfarin, or any other medications that affect bleeding. Using these medications may increase your risk of bruising or bleeding at the gel injection site.
- The use of these products on gel injection sites with skin sores, pimples, rashes, hives, cysts, or infections should be postponed until healing is complete. Use of product in these areas could delay healing or make your skin problems worse.
- Tell your doctor if you have diseases, injuries, or disabilities of the hand.

What are the possible side effects?

The most commonly observed side effects are swelling, redness, pain, bruising, headache, tenderness, lump formation, itching at the injection site, and impaired hand function. These are typically mild in severity and typically resolve in less than 7 days in nasolabial folds and less than 14 days in lips. Serious but rare side effects include delayed onset infections, recurrence of herpetic eruptions, and superficial necrosis at the injection site.

One of the risks with using this product is unintentional injection into a blood vessel. The chances of this happening are very small, but if it does happen, the complications can be serious, and may be permanent. These complications, which have been reported for facial injections, can include vision abnormalities, blindness, stroke, temporary scabs, or permanent scarring of the skin.

As with all skin injection procedures, there is a risk of infection.

To report a side effect with any of the Restylane products, please call Galderma Laboratories, L.P. at 1-855-425-8722.

The *Restylane* family of products is available only through a licensed practitioner. Complete Instructions for Use are available at www.RestylaneUSA.com.

NATURE'S LIGHT

Delivered using smart Stable Lights and award-winning Light Masks.

Health.
Performance.
Well-being.

Horses need light for far more than just vision. The constantly repeating cycles of dawn and dusk synchronise an internal clock system that coordinates all bodily functions to a 24-h (daily) and 365-day (annual) rhythm. Blue light is the most biologically effective light responsible for regulating an animal's internal rhythms. The Equilume Performance Lighting system comprises fully automated intelligent Stable Lights and mobile Light Masks that exploit the benefits of the blue wavelength light for horses.

CORRECT LIGHTING IMPACTS PHYSIOLOGY AT THE CELLULAR LEVEL

It is hard to believe that a lighting system can impact so many aspects of a horse's health and welfare. Dr. Barbara Anne Murphy, Founder & CSO at Equilume, explains: "Normal indoor lighting falls significantly short on providing the optimum light spectrum for horses to function well. The Equilume Stable Light and Light Mask were specifically designed to stimulate cells that drive strong, healthy rhythms throughout the horse's body.

The goal is to provide the horse with lighting that best reflects and mimics the benefits of the natural environmental day-night cycle. This is essential to generate and maintain circadian rhythms that ensure optimum health and performance. Our research results as well as feedback from clients are very exciting; horses thrive under this system - they put on more lean muscle, increase appetites, improve behaviour and focus during training sessions, coat condition blossoms and are healthier overall."

Get in touch for more information or to arrange for a free lighting consultation.

"Equilume light masks keep our performance horses in top condition and their coats glowing! Even with an extended break from competition over the winter, the blue light helped maintain their muscle tone and they came back in to work looking a million dollars."

Chris & Gabbi Chugg, Chuggy Equestrian, AUS

"After just 3 weeks of using the Cashel Light Mask, I saw a remarkable improvement in the horse's attitude and willingness to enjoy his work. The logic of more light for a stabled horse makes sense to me, and with this trial I was able to see the results. I am excited about what benefits the Equilume lights will have for all my horses."
