THE LUGANO DIAMONDS

SPLIT ROCK JUMPING TOUR

Dear Friends,

I am thrilled to have you join us for another year of the lugano Diamonds Split Rock Jumping Tour.

The sport of show jumping has been rapidly evolving over the past several years and our mission is to change the way competitors, sponsors, and spectators experience a horse show in the United States. Looking back through our first several years we have seen some of the world's top riders support our innovative concept by returning show after show.

We are continuously striving to find new ways to make the entire show experience the absolute best it can be. I personally promise that I will continue to learn from not only the continual evolution of our sport but from your much needed feedback as we establish SRJT as one of the premier horse show managements teams in America.

I want to personally thank you for being a part of this new show jumping movement and I look forward to seeing you at the 2024 Lugano Diamonds Split Rock Jumping Tour!

Sincerely,

Derek Braun

The Foremost in Funding Equine Research

In 2016, Grayson pioneered the first research utilizing positron emission scans.

A PET scan enables safe imaging of the equine limb without general anesthesia in a standing, sedated horse. Within 10 minutes, this scan can help identify arthritis or suspensory issues and other causes of lameness. By 2025, there will be more than a dozen machines for use in North America.

Just one way Grayson is helping turn research into answers!

HARCOUR

EQUITATION GRAND PRIX

WEEK II

615. $25,000 3'6'' Equitation Grand Prix

Entry Fee - $250

ELIGIBILITY: Open to all Juniors and Amateurs. All amateur participants must strongly adhere to all USEF amateur rules and regulations. If there is any question or protest of an amteur's status, management and stewards will look into the matter, and deem said rider as eligible or ineligible (entirely at management's final discretion), prior to the start of the class. Horse/rider combination may qualify by competing in any other rated class at either Split Rock Hunter Jumper I or II. Riders are limited to two (2) horses. Riders must declare their intention to compete and if they desire to ride with one or two horses by Wednesday, June 12th. If 40 riders or 50 horses declare, only one horse per rider will be allowed.

ORDER OF GO: Order of go for the first round will be randomly drawn. If two horses are allowed, a rider that competes two horses will automatically go before (on their first horse) a rider that only competes one horse. For example, if there are eight riders that compete two horses, then those eight riders will make up the first eight riders in the draw on one of their horses. All riders that only compete one horse, will automatically go as late as physically possible in the draw. The top 12 will return for the second round in reverse order of score.

ATTIRE: Formal jacket/attire required. Tan breeches, white breeches, and dark or scarlet coat. Hunter colors or official sponsor/team jacket permitted.

SPECIFICATIONS:

Round 1: To be judged and numerically scored on execution, brilliance, and quality. If handiness assists with or enhances the effectiveness, precision, and execution of the track, then that combination will be scored solely on the individual judge's opinion. Judged over a course of at least 10 obstacles set at 3'6''. The course may include a gymnastics element(s), and liverpool(s). This class is not jumper nor hunter oriented. According to the judges' opinion, the rider that executes the track with the best style, effectiveness, and overall execution of the tests will win. Judges will be instructed to score as they see fit. In other words, for round one, judges may score the same numerical score for multiple riders. If there are more than 12 with ties, all riders with ties will advance to round two. If 12 exactly with ties, the top 12 will return for the second round.

Round 2: To be judged and numerically scored, according to the judges' opinion, based on which rider executes the track with the best style, effectiveness, and overall execution of the tests. This class is not jumper nor hunter oriented. Top 12 will return, in reverse order of combined score and qualification from the 1st round. This test will be preset within the course and posted in advance of round two. Judged over a shortened course set at 3'6". Riders do NOT carry their scores from round one (clean slate), and all placings are based on round two scores. Judges will be required to score rounds as they see fit. Ties will remain ties beyond the top three placings. For example, if a judge, or the combined score of the judges, results in a tie, then there will be additional testing, to be determined by the judges to determine the top three placings. Ribbons will be given to the top 8 and riders must ride for ribbons.

Trainers must be present for prize giving ceremonies.
