A microchip used to verify identity must be a fifteen digit ISO compliant 11784/11785 chip and be implanted in the thenchal ligament of the animal.

This rule will have a transition period from December 1, 2017 to November 30, 2018. During this period, animals that are not in compliance with this rule will not receive

points or be eligible for Federation and/or USHJA programs and awards. After this period, all horses that are competing in classes which require USHJA registration which are not microchipped will be ineligible to compete in Federation licensed competitions. - b) Prize money won by foreign competitors: Be advised that the U.S. Internal Revenue Service requires sporting events to withhold 30% of prize money won in the United States. Foreign competitors should apply for a U.S. Social Security number and will be asked to complete Form 8283 or complete a W-8 Certificate of Foreign Status form.
- 10. COMPETITION RING ACCESS:** As posted Weather permitting.
- 11. NUMBERS:** All horses when exiting the stable area must wear the number assigned by the show office. Competitors competing without a number or with an incorrect number may be refused an award at Management's discretion.
- 12. ARENA FOOTING AND DIMENSIONS**
- | | | |
|-----------------|----------------|-------------------------------|
| Grand Prix Ring | 76 x 91 meters | Ebb & Flo all weather footing |
| Warm Up Area | 43 x 73 meters | all weather footing |
- 13. FARRIER:** No farrier other than the official competition farrier will be permitted to shoe on the grounds without the express permission of the Management.
- 14. DOGS:** All dogs must be leashed at all times while on the Keene Stud show grounds. Loose dogs will be picked up and detained until the owner has paid a \$100 fine. For a second offense, the owner may be barred from competing and required to leave the show grounds. We find this extreme action necessary in order to protect exhibitors from injury and to protect their financial investment. This rule will be strictly enforced.
- 15. MEDICAL WASTE:** In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste, Bio Hazardous Medical Waste Containers will be provided in the stable area. All exhibitors, and their agents are responsible for the proper disposal of this waste.
Any trainer, owner, exhibitor or their agent found improperly disposing of needles or other sharp instruments will be fined \$100.
- 16. LIABILITY**
- a) SL Show Management LLC, Morrissey Management Group LLC and Keene Stud and their officials, sponsors and employees will not be held responsible for any accident or loss which may occur to any exhibitor, spectator, guest, rider, groom, attendant or other employee, animal or equipment at all of the shows listed in this publication.
- b) SL Show Management LLC, Morrissey Management Group LLC and Keene Stud and their officials and employees will not be held responsible for any lost, stolen or damaged packages received / delivered to the show grounds.
- c) "All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agent or their horses. They are therefore strongly advised to take out third party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date."

17. PARKING PASSES: All exhibitor vehicles and trailers that enter the grounds are required to have a PARKING PASS. Passes will be provided and are FREE to participants. Parking is allowed in designated areas only. Illegally parked vehicles will be towed at owner's expense.

18. MOTORIZED VEHICLES: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

19. ANIMAL WELFARE POLICY

Upholding the welfare of the horses exhibited here is of primary concern to the SL Show Management LLC and Morrissey Management Group, LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment.

Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose.

At all times for horses competing on the Keene Stud grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF, which pertain to the welfare of the horse. Exhibitors are cautioned that GR839 (which defines the USEF's policy on abuse), GR844 (which pertains to Poling), and GR839.4a (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties. To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing on the Keene Stud grounds, starting one half hour before the first scheduled class of competition and continuing until the last scheduled class of the competition is completed:

20. POLING AND OFF-SETS:

Manual poling and/or the use of bamboo off-sets are prohibited for all horses competing at the Keene Stud grounds. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo offsets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

21. USE OF WHIPS & SPURS:

The use of a whip by any rider at any one incident will be restricted to three lashes behind the girth. Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses his whip or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, and be suspended from further competition for a twenty-four (24) hour period starting from the time of the incident.

In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the competition in which the violations occurred and all stabling fees, nominations fees and entry fees will be forfeited.

All incidents will be reported in the Steward's and/or Technical Delegate's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

22. EQUINE VACCINATION RULE

At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

23. USEF SAFE SPORT STATEMENT:

Effective immediately, any competition with the start date of September 1, 2020 and later will be required to include the following Safe Sport statement in the Rules and Regulation section of the prize list: Reminder: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.
