THE BEAUTY OF RECONNECTING

For School and District Administrators and Leaders

Join us in the beautiful gardens and get ready to reconnect. You will learn:

3 keys to High Performance Planning

How to create a High Performance Continuum of Service

How to organize High Performance Documentation

You will leave with confidence that you are doing the right thing,
a clear understanding of how to serve your students and staff,
and amazing free tools to help you get started.

Your Hosts

Susan Millones

Susan has consulted with districts and trained thousands of teachers across the United States in MTSS and special education. She has presented at National Conferences including National Title 1 and has worked on federal grants for MTSS implementation. Susan is a Dot It co-founder.

Laurie McDanel

Laurie has an Ed.S in School Administration and a Masters in Special Education. She has 20 years of special education classroom experience and 10 years of leadership experience at the district level. Her innovative leadership led to significant closure of achievement gaps for students with disabilities in her district. Laurie is a Dot It co-founder.
