

**Aaron Kleinerman: The Power of Owning "You're Too Much"**

Aaron Kleinerman is a Transformational Sex and Relationship Coach, Facilitator & Speaker. He is the lead male teacher for the Embodied Awakening Academy, a Tantric Practitioner, and creator of 'The Conscious Man's Guide to the Bedroom'. Explore all the self-sabotage and self-destructive ways in which the masculine inside of you cannot trust others.

**TOP EMBODIMENT TIP:** On a daily basis, have an inner check in with what you're feeling, what's alive, what's moving.

Mastering Our Duality:

- The only way that we can be a beneficial, powerful and penetrative leader is to learn how to **master our duality**.
- **You are powerful beyond belief, simply because you are.** Power isn't something that somebody can give to you, but anytime you judge another, you're giving your power away.
- A powerful masculine leader takes self-responsibility, and **taking self-responsibility is the new sexy**.

Self Reflection:

- We **self-sabotage because we compare ourselves to expectations** that aren't actually in our authenticity.
- Instead of being addicted to external things, we need to **start to be addicted to going into the body** and feeling all the places where we have not been connected to our heart and phallus.
- When we can **take a reflective lens**, our capacity to lead begins to change, so we must be willing to **look inside ourselves** and **own all the places** where we haven't been feeling a full YES! **A full YES is another new sexy**.

Masculine Leadership:

- Most of the time leadership is coming from **people trying to have power over**, manipulating, and wanting to control others because **they don't know how to control themselves**.
- An embodied masculine leader is **connected to his phallic power**, whether you're in a male or a female body.
- When you can **feel your own phallic energy and own your penetrative power**, you won't need to abuse, dictate, or have power over, but rather you'll **have power with**.
- There's nothing sexier than a leader connected to his heart and to his speech, leading from that space.
