

**NEW** AI DISCOVERY

## AI Education for Educators: Personalized Training 2024

AI Leadership for Educational Administrators, Department Heads, and Ed-Tech Specialists

### Program Highlights

- Elite 8-week program for comprehensive AI mastery in education
- Cutting-edge AI technologies and strategic implementation for educational institutions
- Fully customized content addressing your specific institutional challenges
- Extensive support and resources for 16 weeks post-program

### Program Basics

- **Duration:** 8 Weeks
- **Price:** Starts at \$5,000
- **Audience:** Educational Administrators, Department Heads, Ed-Tech Specialists
- **Obtained Expertise:** 95th Percentile
- **Participants:** From 10 to 80 participants

### What's Included

- 8 In-Person Workshops (2 to 4 hours each, once per week)
- 8 Virtual Follow-up Sessions (90 minutes each, bi-weekly for 16 weeks)
- Comprehensive Learning Materials
- Educator Master Playbook (Digital + Physical)
- 1-year access to Emerson Library™ and Visionland™ platforms

## Unique Experiences

- Personalized AI roadmap development for your institution
- Executive roundtables on AI-driven educational transformation
- Exclusive ed-tech demos and beta testing opportunities

## Curriculum Highlights

### Module 1: AI Fundamentals for Education

- Advanced Machine Learning in Educational Contexts (90% coverage)
- AI-powered Educational Tools and Platforms (95% coverage)
- Data Privacy, Ethics, and Governance in Educational AI (90% coverage)

### Module 2: AI Integration in Teaching and Administration

- AI-driven Personalized Learning at Scale (95% coverage)
- AI for Educational Administration and Decision Making (85% coverage)
- Future of AI in Curriculum Design and Institutional Strategy (90% coverage)

## Support and Resources

- Unlimited email support for 180 days (12-hour response time for first 30 days)
- Dedicated Slack channel for 180 days (business hours)
- Phone support with extended hours for 90 days
- On-site consultation: One half-day visit to your institution

## Outcomes and Certification

- Comprehensive AI leadership capability assessments throughout the program
- Institution-wide AI transformation strategy and detailed implementation roadmap
- Official AI Leadership in Education Certification

## Why Choose Our AI Executive Education

- Unparalleled depth in both technical AI knowledge and strategic educational application
- Fully customized program addressing your institution's specific challenges and opportunities
- Extensive post-program support to drive successful institution-wide AI transformation

## Dates & Prices

Prices are in CAD. See complete terms and conditions [here](#).

Personalized training starts at \$5,000. Transparent price information with clear transformation objectives discussed during the Discovery conversation.

## Get Started

# Detailed Curriculum Outline

## **WEEK 1-2: ADVANCED AI FOUNDATIONS AND STRATEGIC INTEGRATION**

### **Session 1: Advanced Machine Learning and AI Tools in Education (2-4 hours)**

- Deep dive into ML algorithms relevant to education (neural networks, decision trees, etc.)
- Comparative analysis of enterprise-level AI educational platforms
- Workshop: Designing an ML-based system for your institution's specific needs

### **Session 2: Data Privacy, Ethics, and Governance in Educational AI (2-4 hours)**

- Developing comprehensive AI governance frameworks for educational institutions
- Advanced data protection strategies in the age of AI
- Interactive session: Creating an ethical AI use policy for your institution

## **WEEK 3-4: AI-DRIVEN PERSONALIZATION AND ADMINISTRATION**

### **Session 3: AI-driven Personalized Learning at Scale (2-4 hours)**

- Implementing institution-wide personalized learning initiatives
- AI-powered adaptive curriculum and real-time learning path optimization
- Case study analysis: Successful large-scale personalized learning implementations

### **Session 4: AI for Educational Administration and Decision Making (2-4 hours)**

- AI in strategic planning and resource allocation
- Predictive modeling for enrollment management and institutional growth
- Workshop: Developing an AI-driven decision support system for your administration

## **WEEK 5-6: FUTURE OF EDUCATION AND EMERGING TECHNOLOGIES**

### **Session 5: AI and the Future of Curriculum Design (2-4 hours)**

- AI-driven curriculum mapping and alignment at the institutional level
- Predictive analytics for curriculum effectiveness and job market alignment
- Group project: Developing a 5-year curriculum evolution plan using AI insights

### **Session 6: Emerging Technologies in Education: VR, AR, and Beyond (2-4 hours)**

- Integration of Virtual and Augmented Reality in higher education
- AI-powered simulations and immersive learning environments
- Hands-on demo: Experiencing cutting-edge AR/VR educational tools

## **WEEK 7-8: LEADERSHIP AND TRANSFORMATION**

### **Session 7: Developing a Comprehensive AI Strategy for Your Institution (2-4 hours)**

- Frameworks for AI readiness assessment and strategic planning
- Aligning AI initiatives with institutional mission and goals
- Intensive workshop: Crafting your institution's 3-year AI strategic plan

### **Session 8: The Future Educational Leader in an AI-Driven World (2-4 hours)**

- Evolving role of educational leaders in an AI-transformed landscape
- Balancing technological advancement with human-centered education
- Visioning exercise: Crafting your personal leadership philosophy for the AI era

## **TRANSFORMATIONS & TAKEAWAYS**

- Mastery of cutting-edge AI technologies and their applications in education
- Ability to develop and execute comprehensive AI transformation strategies for educational institutions
- Deep understanding of AI governance, ethics, and risk management in educational contexts

- Skills to build and lead high-performing, AI-proficient teams in educational settings
- Visionary perspective on the long-term impact of AI on education and society

This intensive 8-week personalized program is designed to transform you into a visionary AI leader in education. You'll gain the depth of knowledge and strategic insight needed to drive AI innovation and large-scale digital transformation across your educational institution.

#### **POST-PROGRAM SUPPORT**

- 8 virtual follow-up sessions (90 minutes each, bi-weekly for 16 weeks)
- Lifetime membership to our exclusive AI Leaders in Education Network
- Quarterly one-on-one strategy sessions with top AI in education experts
- Priority access to educational AI conferences and events
