Gentlemen:

About 3 weeks ago, our Representative, Rabbi Tarshish, was in to see you in reference to our "Young Scholar's Pocket Calendar." He was then told that you were interested in it, and that you would get in touch with us.

To the present date, we have not yet heard from you again. Please advise us whether you are still interested and under what terms.

Sincerely yours,

Rabbi M. Schneerson,
CHAIRMAN, EXECUTIVE COMMITTEE
