Hon. Philip M. Kleinfield,
Supreme Court of the State of N.Y.
Brooklyn, N.Y.

Dear Judge Kleinfield:

Knowing of your keen interest in the activities of my venerable father-in-law, the Lubavitcher Rabbi, I take pleasure in sending you herewith the Calendar recently published by the MERKOS L'INYONEI CHINUCH which is under the auspices of the Lubavitcher Rabbi.

The Calendar answers a great need, and it is not surprising that it has won universal acclaim. Indeed, it is such 'a hit' that we shall shortly publish a second edition of it.

You might be interested to know that the Merkos L'inyonei Chinuch publishes a variety of useful reading material in English, Hebrew and Yiddish, for students of Talmud Torahs and Jewish schools, and renders other valuable service in the cause of traditional Jewish education, such as creating schools for girls, teachers' courses, boys' circles - Mesibos Shabbos, etc. A detailed report will be published shortly, and we shall be glad to send it to you.

With all best wishes and kindest personal regards,

I am,

Sincerely yours,

Rabbi M. Schneerson,
Chmn., Exec. Comm.
