Dear Rabbi Nulman:

Under separate cover we are sending you sample copies of some the different publications of *Merkos L'Inyonei Chinuch*, as suggested by your music director, Mr. Seymour Silbermintz.

We are sure that you realize the great value publications of this type have for the American youth and will want to order them in great quantity for all the children of the Talmud Torah.

Special mention must be made of the fact that individuals and institutions ordering in large quantities are granted substantial rebates.

At the same time, if you can forward us copies of the different pamphlets you have issued for the various Jewish holidays it would be greatly appreciated.

Thanking you in advance for your kind interest and awaiting your early communication, we remain

Yours with Torah greetings,

Secretary
