My dear Mr. Cowen:

I am now sending you herewith some notes and suggestions concerning the Tefillin message, which I hope will meet with your approval.

I am sorry that this has been delayed since I have been occupied with the preparation of a Kuntres (Hassidus and Sichos) and the second issue of Kovetz Lubavitz.

With kindest regards and a Gut Shabbos,

Very sincerely,

Rabbi M. Schneerson

Encl.

Mr. Alexander Cowen
