My dear Bernard:

I was pleased to receive your letter of June 12, and to hear that all is well with you. I was glad that you described the Seder in Korea.

I hope you will continue to write to me of your well-being.

It was a little surprising to me that you do not mention anything about your personal contact with your friends in matters of Yiddishkeit, for while influence by good example is effective often enough, it is necessary to make it the subject of conversation whenever possible.

Under separate cover the office will send you some numbers of the "TALKS AND TALES" monthly magazine, where you will find interesting topics for conversation and much important data. If you see fit, you can lend them also to your friends, or have public readings in groups, etc.

I trust you find your trip to Japan restful and enjoyable. I am looking forward to your next letter.

With best wishes,

Cordially

M. Schneerson
