Dear Dr. Schwartz:

Our representative, the director of our European office in Paris, Rabbi Benjamin Gorodetzky, has informed me of his visit with you last week, and of your warm interest in our work, as well as of your promise to continue to cooperate with us within the limits of your ability. For this I want to thank you very much.

I also wish to extend to you my felicitations upon your appointment to the UJA post. I am sure that you will approach your new responsibilities with your usual earnest attitude and understanding of the needs of orthodox Judaism. I am further confident that in view of your long time association with the JDC, you will maintain your interest in that organization and your influence will be felt there. Thus I hope that you will also continue to take an interest in our work and will extend to us your invaluable cooperation.

Wishing you much success in your public work as well as in your personal affairs. materially and spiritually, and with Chanukah greetings,

Cordially yours,

M. Schneerson
Rabbi Mendel Schneerson
