Dear Pvt Greenbaum:

I was gratified to receive your letter. Do not be upset about losing the quarters. I am sending you herewith another quarter originally contributed to one of our sacred causes, and I wish you hatzlocho.

I was very pleased to read that you try to influence some of your fellow Jewish soldiers in camp towards better religious practice. I am sure you will continue to do so with even greater effort.

Enclosed you will find our booklet on Tefillin, and the Complete Story of Passover. You will no doubt share your interest in these booklets with your friends.

It would be worth your while to speak to the Chaplain with a view to getting you a furlough for Passover, so that you could spend it in a Jewish atmosphere. Let me know how you make out. - Best regards to your comrades

With blessing

M. Schneerson
