Prof. Elmer L. Offenbacher
Temple University
Physics Department
Philadelphia 22, Pa.

Dear Prof. Offenbacher:

I have your letter of Nissan 4th,
which I could not acknowledge earlier
owing to the intervening Yom-tov of
Pesach.

I thank you very much for taking
a personal interest in Dr. Ullman's
position. I have taken the liberty of
forwarding him your address, so that he
could communicate with you direct and
acquaint you more fully with the situation.

I shall greatly appreciate if you
could be helpful to him.

With warm personal regards and best
wishes,

Cordially yours,
