Greeting and Blessing:

Your prolonged silence had already made me wonder, and I was therefore pleased to receive your letter of the 11th Teveth, in which you write that your wife has, thank G-d, recovered her health, and that you named your newly-born son, Judah Aaron Moshiach. May G-d help you and your wife to bring him up, together with your daughter, Naomi Sara, to a life of Torah, Chuppah, and good deeds. The merit of your participation in the past, which will no doubt increase in the future, in the education work in connection with the Lubavitcher Shul, ^{and} in the interests of the congregation in general, will surely bring forth increased Divine Blessings on you and yours.

Your donation was turned over ~~to~~ the Merkos fund which is dedicated to kosher education, which will also stand your son and daughter in good stead.

With Blessing,

M. Schneerson
