Blessing and Greeting:

I was pleased to receive your letter of June 4th, in which you write the good news that your grandson Nohum Jacob is feeling better. May G-d grant that the improvement continue, and that you will have good news to report always.

Needless to say that every additional effort in matters of Yiddishkeit, by all the members of the family who are interested in his welfare, will bring additional Divine blessings to the boy, as well as to all the family.

Your donation was turned over to our Merkos L'Inyonei Chinuch, which is dedicated to Jewish education, and may it stand your grandson in good stead, to be brought up in the true Jewish way of life.

With blessing,

By
