Greeting and Blessing:

I received your letter of the 5th of Elul, in which you write about your problem in regard to your future studies. However, you mentioned that you have plans of going to the Yeshiva in Montreal, and I trust that this will be so arranged. May G-d grant that you apply yourself to your studies with diligence and devotion, as well as to the observance of the Mitzvoth, which will surely bring you success and true happiness, so that you will be a source of true Nachas to all.

Wishing you a Kesivo Vachisimo Toivo, and

with blessings,
By
