Greeting and Blessing:

I am directed to acknowledge receipt of your donation for our Bikkur Cholim Fund, for which receipt is enclosed herewith.

The Rabbi reiterates his prayerful wishes that the treatment be successful and produce speedy results. The merit of your activity in behalf of strengthening true Yiddishkeit in your community will surely stand you in good stead. As the sign of life is in growth, it is hoped that your activities will similarly be animated, for, needless to say, every additional effort will bring additional Divine blessings to both of you, physically and spiritually.

It is hoped that you will have good news to report.

With blessing,

Sec'y
