Greeting and Blessing:

I received your letter of December 4th, with the enclosure,
for which receipt is enclosed.

I was pleased to read in your letter that you had a pleasant
vacation in Florida.

As we are at present celebrating Chanukah, the Festival of
Lights, which are kindled in increasing numbers every night
of Chanukah, symbolizing the growing illumination of the
light of the Torah and Mitzvot, may these auspicious days
bring increased light and happiness in your life.

In the light of the above, I trust that your daily routine
will not remain "quite constant", as you write, but will be
improving daily in all matters which we discussed when you
were here.

With blessings,

By Nissan Mindel
