Greeting and Blessing:

This is to acknowledge receipt of your letter, in which you write about the health of your sister. No doubt you have already heard from your father, who has been in touch with me in connection with this matter, and I hope there will be good news about an improvement in her health.

I was gratified to read that you have undertaken to open a new branch of Mesibos Shabbos. May G-d grant that it be in a happy and auspicious hour, and that you have a good influence on the children during the Sabbath, which should last them throughout the week, and be expressed in their constantly improving conduct.

With blessing,

By *Avraham Stein*
