Blessing and Greeting :

I received your letter of the 19th of Menachem Av. With regard to your question as to learning to drive a car, if you think that knowing how to drive a car would be useful, including also in matters of Yiddishkeit, it would be advisable to learn to drive and to receive a license, for, after all, the fact of having a driver's license does not in itself compel one to drive a car.

As requested, I will remember you and your family in prayer when visiting the holy resting place of my father-in-law of saintly memory, and may G-d grant that you will always have good news to report, both materially and spiritually.

With blessing,

By *Avraham M. Schneerson*
