Greeting and Blessing:

I received your letter of the 25th of Iyar, and I appreciate your letting me know about the improvement in the health of your mother. May G-d grant that the improvement continues steadily, and that there should also be an improvement in all other matters about which you write, including success in your work for Torah-true education.

Enclosed is a copy of my message to the Annual Convention of the Instructors and Leaders of the Release Time Program, which is meant also for all who are engaged in Jewish education. I trust you will find it interesting and useful in your work.

Hoping to hear good news from you, and wishing you, in the traditional Chassidic blessings, as expressed by my father-in-law of saintly memory, namely, to receive the Torah with Joy and Pnimius.

With blessing,
M. Schneerson
