Greeting and Blessing:

Thank you very much for sending me a copy of your letter of the 4th of Adar which you addressed to the Vaad Merkozi of the Agudas Israel World Organisation.

Needless to say, I was shocked to read the published news item in question, and, furthermore, was even more distressed by the declarations which appeared in the Press from the quarters of the Aliya in the Holy Land, to the effect that the legal emigration from that country will be continued, etc., etc. May G-d grant that your protest, together with protests of others, will be effective to stop such harmful publicity in the future.

I requested Rabbi Shemtov, before his return to London, to convey to you my personal regards and best wishes.

With blessing,

M. Schneerson

I trust you will continue to keep me posted, and also to send me everything that is published by you.
