Blessing and Greeting:

Thank you for your letter of April 28th. In the meantime, you have no doubt received my letter in reply to your previous writing.

With reference to the paper on "Circumcision" entitled The Beautiful Jewish Baby Boy is Born, it was only a few days ago that the article was given to me. I expressed my comments and observations regarding this paper to Rabbi Hecht, who no doubt has conveyed same to you. May G-d grant that this, too, contribute to the efforts to strengthen and spread true Torah-Yiddishkeit everywhere, including your community, along with your other activities in this field, especially in behalf of the Jewish children.

Hoping to hear good news from you always,

With blessing,

By *Miriam Newman*
