Greeting and Blessing:

I was pleased to receive your letter of the 18th of Tammuz, as well as the regards through the visitors from England. I trust that the visitors will also bring back with them regards from here, and share their inspiration and experience with their friends back home.

As requested, I will remember all those mentioned in your letter, in prayer, when visiting the holy resting place of my father-in-law of saintly memory, and may G-d grant that you will have good news to report.

I trust it is unnecessary to emphasize to you, and that you will also convey it to the others, that the daily life in accordance with the Torah and Mitzvoth is the channel and vessel to receive G-d's blessings in all one's needs.

As we are now in the midst of the Three Weeks, and our Sages said that Jerusalem was destroyed only because the education of young children was disrupted in it (Shabbos 119b), this is the time to increase all activities designed to make amends for, and offset the failings of the past, namely, activities for Kosher Jewish education.

Hoping to hear good news from you,

With blessing,

By, *Isaac Middel*
