Greeting and Blessing:

After the very long interval, I received your letter of the 28th of Teveth. As requested, I will remember you and the others you mention in your letter, in prayer, when visiting the holy resting place of my father-in-law of saintly memory.

I trust that you continue to participate in the activities of the Lubavitch House, and no doubt there is a way to arrange your participation and support in a manner that will not interfere with your personal work and duties.

No doubt you will take part in the observance of the Yahrzeit Hilulo of my father-in-law of saintly memory on Yud Shevat. The importance of observing this day is, of course, not just for the sake of remembrance, but to be inspired by the dedication and teachings of the Ba'al Ha-Hilulo, the kind of inspiration that leads to actual deed and accomplishment.

Hoping to hear good news from you,

With blessing,

M. Schneerson
