Greeting and Blessing:

Thank you very much for your letter of Issur Chag, in which you write some highlights of your activities during the festivals of Tishrei, though all too briefly.

In the meantime, I also received regards through the visitors from London who were here.

May G-d grant that you will always have good news to report, both in regard to your activities in behalf of others, as well as in your personal affairs.

With blessing,

By *Avram Ruindel*
