Greeting and Blessing:

After the interval, I was pleased to receive your letter and to read in it that you are in full swing of your Yeshiva program in Manchester, and that you are also learning Tanya.

As requested, I will remember you in prayer that you should advance in your study of the Torah with devotion and diligence and real vitality. You surely remember the saying of our Sages, "Try hard and you will succeed." May G-d grant that you will also be a living example and inspiration to the other students, and to all you come in contact with.

With blessing,

By *Avraham Shindler*
