

9 th Iyar 5722

Blessing and Greeting,

After not having heard from you for some time
I was especially please to ~~hxxxxfxxxxxm~~ receive your letter of
25 th of Nissan.

May G-d grant that the feeling you express towards the
en~~f~~ of your letter as well as the inspiration of Pesach, will be with
you throughout the year and since Divine service with joy and enthusiasm
is expected of every Jew it is also certain that together with this
expe~~s~~tation there is a delegation of power and ability to fulfil it.

The enclosed copy of my Pesach letter which is timely all
the year round also has a bearing on the above,

With blessing

By Nissan Mindel

P.S. I was surprised to read in your letter your thoughts on the
womans place in regard to a Farbreng. Surely you have read in the
writings and memoirs of my fater in law of saintly memory about his
veiws as to this matter and how women are concerned witnt the Farbreng.
In fact much of the subject matter and content of the Farbreng is
directed to them.
