Sholom uBrocho:

I am in receipt of your letter of 16th of Sivan, in which you write about plans for the Bris, may it take place in a happy and auspicious hour.

No doubt you know of the significance of 12-13th of Tammuz, the anniversary of liberation of my father-in-law of saintly memory, and will participate in its observance. The important thing is to gain lasting inspiration from the lesson and message of these historic days.

Hoping to hear good news from you,

With blessing,

By *Avraham Shindler*
