Name,
Address.

Sholom uBroche,

I received your letter, in which you write about the question of your future learning, and the place of learning and other problems.

These are questions which depend on various factors connected with personal character, capacities, and other details. Therefore, it would be best for you to consult with the Roshei Yeshiva and Rabbis who were your teachers during the summer and who have become more closely acquainted with you, and to follow their advice and guidance.

It is surely unnecessary to emphasize to you that there is always room for improvement in the daily conduct in accordance with the Torah and Mitzvoth, while the need for increasing effort in this direction is self-evident, there is an added inducement when a special Divine blessing is required, for the Torah and Mitzvoth are also the channels to receive G-d's blessings.

I trust you know of the good custom to say the daily shiur of Tillim, as it is divided according to the days of the month, and that you will keep it up, at any rate from now on.

With blessing,

By,
N.M.
